GRADUATE INFORMATION

PARTICIPATION IN COMMENCEMENT

You are eligible to participate in the 2018 Commencement Ceremony if you anticipate you will complete all graduation requirements by December 31, 2018. Degree requirements for each University program can be found in the University Catalog. If you are unsure if you are eligible to participate in the 2018 Commencement Ceremony, please contact your College’s Student Affairs Professional for additional information.

Attendance at Commencement is mandatory for all WesternU students. Unless special permission has been granted by the Dean of your college, you must participate. If the Dean grants special permission for excusal from commencement, you may be required to present yourself to the Dean (or their designee) at another specified date to take your profession’s oath. Requests for excusal will only be granted for extenuating circumstances, such as a prior military commitment. Please contact your College’s Student Affairs Professional if you need to request an excusal.

All graduates are assessed a $350.00 non-refundable graduation fee in their final year of studies. The graduation fee covers the cost of your academic regalia (cap, gown and academic hood), degree audit/diploma processing, diploma and graduation celebration. Note: Students who elect not to participate in their College’s graduation celebration are not eligible for a refund of any portion of the graduation fee.

COMMENCEMENT TICKETING
In order to ensure adequate seating for all, guests of graduates will be required to possess a ticket in order to gain admittance to the Pasadena Civic Auditorium. (Attendees of the College of Veterinary Medicine Ceremony are not required to have a ticket to enter.)

All students are provided with six (6) general admission tickets and two (2) Family Hooder tickets for a total of eight (8) graduation tickets. If you are receiving two degrees at the Commencement Ceremony (e.g. DPM and MSHS), you will receive two (2) additional Family Hooder tickets; one set for each degree. In January, you will receive instructions for completing the ‘Graduate Participation Form’ where you can request additional tickets, if available.

All guest seating (with the exception of Family Hooders) is General Admission and on a First Come, First Serve Basis. Auditorium doors will open for guests one hour before each ceremony. Auditorium doors will close before the ceremony begins to clear the lobby and aisles to prepare for the academic procession (graduates and faculty marching in). The doors will reopen after the processional, national anthem and invocation (approximately 30 minutes). Late arriving guests will be seated immediately following the invocation.
Your academic regalia (cap, gown, and academic hood) can be purchased online from Jostens’ beginning January 8, 2018. While the cost of your academic regalia is covered by your graduation fee, you will be required to pay shipping and handling (approximately $15.00). Your cap and gown will be mailed directly to the address you provide when ordering. Your academic hood will be shipped to the University and given to you on stage. Your academic regalia is yours to keep after the Commencement ceremony.

All WesternU Commencement participants must be attired in the appropriate WesternU academic regalia. Graduates who are members of nationally recognized, registered student organizations or registered honors organizations during their studies at WesternU may request authorization to wear additional regalia from those organizations during the Commencement ceremony. The only types of additional regalia items approved are honor cords or stoles. Medallions are not approved items of regalia.

If you wish to wear any additional regalia items, please complete the following steps:

1) Check to see if your club or organization is approved and listed on the University Student Affairs website. If your club/organization is listed, you may bring your honors cords or stole directly to Commencement.

2) If your club/organization is not listed, you will need to request permission to wear the regalia from the Student Affairs personnel within your College.

Graduates may also wear one (1) lei during the Commencement ceremony; however, you will be asked to remove it prior to going on stage to obtain your diploma and receive your academic hood. If you do not wish to leave it on your seat, please carry the lei on stage over your left arm.

Graduates are not permitted to add decorations to their mortarboards or tams. Graduates found to be out of compliance during line-up will be asked to remove unapproved items.

Graduates are asked to leave all ‘carry-along’ items (purses, cell phones, electronic devices, books, flowers, etc.) with family members or in your car. Graduates should not carry anything during the processional.
**GRADUATE BEHAVIOR**

Commencement is a dignified occasion. Participants are expected to conduct themselves accordingly. The behavior of each graduate helps to set the tone for this important event. Graduates and families look forward to this milestone with excitement and anticipation. The ceremony and appropriate behavior by the graduates will create positive memories for all who attend. Students and guests are expected to remain seated until the ceremony has concluded.

**ORDER OF EXERCISES**

WesternU’s Commencement ceremonies follow a set order of exercises. At the start of the ceremony, graduates, then faculty and administration process into the auditorium and to their seats. Graduates will be seated in sections C and D at the front of the auditorium.

After the National Anthem is performed and the Invocation is given, the President and the Chairman of the Board of Trustees will give their welcoming remarks. Then, the keynote speaker will be presented with an honorary degree (if eligible) and give the Commencement Address. After the keynote speech, the President and the Dean will approach the podium, and the President will ask candidates for a specific degree to stand as he confers their degree. After the degree is conferred, all graduates can be seated except for those approaching the stage to receive their diploma.

At the prompting of the College Marshal, the first row will approach the stage and stand in front of the steps on the far right side of the stage. The ceremony will move from stage right to stage left (as you face the stage). Each graduate will be called to the stage in alphabetical order. A faculty member will be positioned at the stage steps to check the alphabetical order of the graduates before they go on stage.

Once your name has been announced, go to the diploma table, shake hands with the Dean and receive your stage diploma from the President. A professional photograph will be taken by a University photographer. After the photograph, walk across the stage to the hooding table to meet your Family Hooder(s). Turn with your back to the Family Hooder(s) and stand on the “X” marked on the floor. If you are taller than your Family Hooder(s), squat down so they can place your hood on you. Another photograph will be taken, so be sure you and your Family Hooder(s) face the photographer.

After the photograph, immediately leave the stage with your Family Hooder(s). At the bottom of the exit stairs, the Alumni Representative will give you your alumni pin. Once you have your alumni pin, return to your seat. Your Family Hooder(s) will be directed to return to their seats in the loge. All graduates should remain in their seat until the end of the ceremony.

After the President gives his closing remarks, the faculty and administration will recess out of the auditorium. Graduates will recess out of the auditorium and are required to return to Exhibit Hall C for their class photograph.
FAMILY HOODING

Western University of Health Sciences proudly offers our graduates the opportunity to have two (2) family members/friends join them on stage to bestow them with the academic hood signifying their degree. Family Hooders must be 12 years of age or older. If one of your Family Hooders is a minor, they must be accompanied by an adult, who will count as one of the Family Hooders. No exceptions to the Family Hooder policy will be granted due to safety and liability issues.

Instructions for your Family Hooders and a video showing the hooding process are available on the Commencement website. Please urge your Family Hooders to review the instructions and video prior to the Commencement ceremony. Your Family Hooders may also review the instructional video in the Conference Center prior to the Commencement ceremony, where they will also have an opportunity to practice placing the academic hood.

CLASS PHOTOGRAPH

Your official class photograph will be taken immediately following the ceremony in Exhibit Hall C. The College Marshal will lead you to a designated area. Please stay in line during the recessional through to Exhibit Hall C. All leis and stoles must be removed from your robe prior to the class photograph. Following the photo session, you may obtain your official diploma (if available) and then join your family.

DIPLOMAS

Official diplomas will not be issued until the conclusion of the Commencement ceremony and completion of your class photograph. If you have completed all of your graduation requirements and received a confirmation e-mail from the Office of the Registrar, you may pick-up your diploma in Exhibit Hall C.

Diploma frames can be purchased from the University Bookstore on the day of the ceremony or in advance on their website. Master’s diplomas measure 11 x 14 inches, while Doctoral diplomas measure 12 x 15 inches.
**UNIVERSITY HONORS**

To receive University Highest Honors upon graduation, a student must be in the top 3% of their graduating class AND have a GPA greater than or equal to 3.75. To receive University Honors upon graduation, a student must be in the top 4-10% of their graduating class AND have a GPA greater than or equal to 3.75.

Students eligible for University Highest Honors or Honors will be given an honor cord to wear during the Commencement ceremony. Highest Honors and Honors are also noted on the student’s transcript and diploma.
